

OFFICIAL NOTICE OF SANITARY VIOLATION

*Randy*

March 15, 1990

CONTROL NO.: HE-784

Robert D. Williams  
726 W. Greenwood  
Springfield, MO 65807

Dear Mr. Williams:

This department has received a complaint concerning surfacing sewage at property under your control at 3140 W. Page.

On March 13, 1990, a representative of this office investigated the complaint and found it to be justified. Chapter 30, Section 30-11 of the Springfield City Code states the following:

"It shall be unlawful for any person to place, deposit, cause, or permit to be deposited, in any unsanitary manner upon public or private property within the City, any domestic waste, garbage, pollutant, or other objectionable waste."

Therefore, it is the direction of this office that the above-listed facilities be connected to the sanitary sewer within 21 days.

In order to prevent odor, please apply lime immediately to the area where the sewage is surfacing. If you have any questions concerning this matter, or if the City Health Department can be of assistance to you, please contact us at your convenience.
